

HMT Accessories

MOUNT / WEAR

Ball Cap with HMT Mount

These purpose-built ball caps are a perfect pairing for wearing with the HMT-1 for everything that does not require PPE. Each cap is designed for maximum comfort, balance and visibility, expanding the boundaries for where the HMT-1 can go. Each ball cap contains a RealWear-designed semi-flexible inner band and HMT-1 clips. The cap's brim is ideal for sunny locations without occluding the adjustable high-resolution camera.

- High-quality
- Lightweight / Durable / Smooth
- Adjustable Velcro back
- Brim designed for full camera visibility
- Built-in clips and inner band

Flexband (3-point silicone band with chinstrap for clean rooms)

The RealWear Flexband is purpose-built designed for Clean Rooms by RealWear. Uses can include biopharma, textile mills and other use cases requiring a clean room environment. The flexband is a non-shedding solution for HMT-1 ONLY (not HMT-1Z1). Product color may vary.

SKU(s): 171035-A

MSA V-Gard® Front Brim Hard Hat with RealWear Logo

For HMT-1 and HMT-1Z1. Intrinsically safe (IS approved) for use with the HMT-1Z1 in hazardous locations.

Standard size MSA hard hat with Fas-Trac® III suspension and ratchet adjustment. White with RealWear logo.

Hard Hat Clips sold separately

SKU(s): 171056

Hard Hat Clips (3 Pair Pack)

For HMT-1 and HMT-1Z1. Intrinsically safe (IS approved) for use with the HMT-1Z1 in hazardous locations.

Hard Hat Clips are custom designed to secure the HMT-1 or HMT-1Z1 to specific hard hat manufacturers and models. They clip into the hard hat accessory slots. Order the correct clips for the hard hats in use.

SKU	Type

171021	Hard Hat Clips for Honeywell North Zone Front Brim (3 Pair Pack)
171024	Hard Hat Clips for MSA Full Brim (3 Pair Pack)
171046	Hard Hat Clips for Honeywell North Zone Full Brim (3 Pair Pack)
171050	Hard Hat Clips for MSA Front Brim (50 Pair Pack)
171051	Hard Hat Clips for Honeywell North Zone Front Brim (50 Pair Pack)

Bump Cap

For HMT-1 only

The Bump Cap replaces the standard Overhead Strap for a more secure fit. It is suitable for environments that require head cover but do not require hard hats. The short brim also provides shade without interfering with the HMT-1.

Available in both standard size and extra-large.

NOTE: The Bump Cap requires the triband strap for mounting

SKU: 171034 – Standard

SKU: 171095 – Extra Large

Workband (HMT-1 Premium Design Mounting Option)

For HMT-1 only

The Workband extends and expands the HMT-1, taking hands-free experience to new levels. It gives workers more mobility than ever for swifter repairs and action. Its wide forehead area creates the perfect amount of surface area for outstanding device stability. It is lightweight, washable, and clippable.

SKU(s): 171200

A rear adjustable strap fits most head sizes, and the tall clips easily and securely attach to the HMT-1. Reflective logo on front improves visibility.

Features and Benefits:

- High quality structured headband provides secure mount
- Adjustable Velcro back, one-size-fits-most (53cm-63cm)
- Built in clips for easy attachment to HMT
- Reflective logos for visibility
- PPE friendly
- Machine washable after removing plastic clip band

Tri-Band Strap

SKU(s): 171033

For HMT-1 and HMT-1Z1. Intrinsically safe (IS approved) for use with the HMT-1Z1 in hazardous locations.

The Tri-Band Strap is a head strap for the HMT-1 and HMT-1Z1 that replaces the standard Overhead Strap for a more secure fit. The Tri-Band Strap supports greater maneuverability and mobility, and ensures superior fit and positioning of the HMT-1 and HMT-1Z1 over a wider range of head sizes and shapes. The Tri-Band Strap is also needed to mount the HMT-1 when wearing a bump cap or baseball cap.

Overhead Strap (6-pack)

SKU(s): 171018

For HMT-1 and HMT-1Z1. Intrinsically safe (IS approved) for use with the HMT-1Z1 in hazardous locations.

The Overhead Strap is the standard head strap that comes with the HMT-1 and HMT-1Z1 and is worn with the device when a hard hat, bump cap, or Tri-Band Strap is not used. With regular use, wear and tear of the strap is normal and it is designed to be replaced periodically.

Rear Pad (6-pack)

For HMT-1 and HMT-1Z1. Intrinsically safe (IS approved) for use with the HMT-1Z1 in hazardous locations.

The Rear Pad is the standard cushioned pad that comes with the HMT-1 and HMT-1Z1. It attaches to the interior band of the device. With regular use, wear and tear of the pad is normal and it is designed to be replaced periodically.

SKU(s): 171017

Rear Cover (No Foam Padding)

Replaces rear head pad with no pad version.

For use with the Flexiband (171035-A) to cover the hooks that to which the normal cover connect

SKU(s): 171006

CARRY / PROTECT

HMT Belt Clip

For use with HMT-1 or HMT-1Z1.

The HMT Belt Clip is the perfect accessory for when you need to hang your HMT from your belt or harness. Compatible with the specially designed slots on most harnesses and also attaches to webbing waist belts of other harnesses. The carabiner mounts perpendicular to the belt, allowing for quick attaching and releasing your HMT when on the move.

SKU(s): 171015

The HMT Belt Clip is recommended for:

- Hanging HMT from a belt of harnesses
- One handed access to your HMT when not using it

WARNING: THIS HMT BELT CLIP IS NOT PPE, IT CAN ONLY HOLD THE WEIGHT OF GEAR UP TO 5kg. HARNESS SHOWN IN IMAGE IS NOT INCLUDED.

Semi-Rigid Carry Case

For HMT-1 and HMT-1Z1

The Semi Rigid Carrying Case is an EVA molded case with zip closure for storing an HMT-1 or HMT-1Z1 and accessories. Whether transporting or storing, it provides protection from the elements and from daily wear and tear. Shown with HMT-1, not included.

SKU(s): 171012

POWER UP

NOTE: HMT SKUs do NOT come with wall charger. Wall charger to be ordered separately.

Battery Wall Charger

 realwear HMT-1
 realwear HMT-1Z1

For HMT-1 and HMT-1Z1. Compatible with the HMT-1Z1 but not Intrinsically Safe. Can be used with the HMT-1Z1 outside of hazardous locations.

The Battery Wall Charger is an extra charger for recharging the HMT-1 and HMT-1Z1. Extra chargers and cables are needed if there are multiple locations where HMT-1s and HMT-1Z1s can be charged (eg. office, workstation, tool crib, service vehicle). They also minimize downtime in case a charger is ever misplaced. Each HMT-1 and HMT-1Z1 ships with a regional charger; for international deployments or travel, regional wall chargers are also available.

SKU 171025: Battery Wall Charger - USA
SKU 171026: Battery Wall Charger - EU
SKU 171027: Battery Wall Charger - CHINA
SKU 171028: Battery Wall Charger - UK
SKU 171029: Battery Wall Charger - AUSTRALIA

USB Cable with Charging Protection for HMT-1Z1

 realwear HMT-1Z1

For HMT-1Z1 only. Compatible with the HMT-1Z1 but not Intrinsically Safe. Can be used with the HMT-1Z1 outside of hazardous locations.

The USB Cable with Charging Protection for HMT-1Z1 is an extra Micro-USB cable for data transfer and charging. The cable includes a safety box that protects the HMT-1Z1's safety circuits from power surges. These surges can damage the HMT-1Z1 and may occur when connecting the HMT1-Z1 to computers, wall chargers, car chargers, and other power sources. It is the only cable approved for charging the HMT-1Z1 and for moving files to and from the HMT-1Z1.

SKU(s): 171019

USB Type-C Charging Cable

 realwear HMT-1

SKU(s): 171016

For HMT-1 only

The USB Type-C Charging Cable is an extra USB Type-C cable for charging the HMT-1. Extra chargers and cables are needed if there are multiple locations where HMT-1s can be charged (eg. office, workstation, tool crib, service vehicle). They also minimize downtime in case a charger is ever misplaced.

*Includes a Micro-USB adapter for data transfer.

6 Battery Multi-Charger

 realwear HMT-1

SKU(s): 171013

For HMT-1 only

The Multi-Charger simultaneously charges 6 HMT-1 batteries. Multi-chargers are needed to keep extra batteries charged. They ensure fully charged batteries are available at the start of each shift. They are also necessary if it is not possible or practical to plug multiple HMT-1s into multiple USB cables and power outlets. Multi-chargers conveniently display the charge level of each battery on a high visibility backlit display, so battery levels can be determined at a glance. Each Multi-Charger ships with all 5 regional power adapters. Shown with batteries, not included.

Spare Battery (6-pack)

 realwear HMT-1

For HMT-1 only

The Spare Battery is an extra 3250mAh lithium ion battery for the HMT-1. Batteries can be swapped in the field to extend operating time and minimize downtime. Extra batteries are also needed to cover any extra shifts. Extra batteries also minimize downtime in case a battery is ever misplaced or left uncharged.

SKU(s): 171014

NOISE & HEARING ACCESSORIES

Ear Bud Hearing Protection Headphones

For HMT-1 and HMT-1Z1. Intrinsically safe (IS certified) when used with the HMT-1Z1.

The Ear Bud Hearing Protection Headphones play audio from the HMT-1 and HMT-1Z1 and provides hearing protection from high noise environments. They have replaceable foam tips made of premium memory foam and are 33dB NRR (Noise Reduction Rated). They also provide privacy for any audio coming from the HMT-1 and HMT-1Z1 and provide an optimal experience when using remote video applications. The headphones are designed with a custom cable length and right-angle connector optimized for use with the HMT-1 and HMT-1Z1. Each headphone comes with a pair of Medium foam tips; other sizes are available separately.

SKU(s): 171030

Ear Bud Foam Tips

SKU	Type	Size
171040	Ear Bud Foam Tips (10 Pair Pack)	Small
171041	Ear Bud Foam Tips (10 Pair Pack)	Medium
171042	Ear Bud Foam Tips (10 Pair Pack)	Large
171059	Ear Bud Foam Tips (Sample Pack)	S / M / L

Wind Noise Filters (3 pair pack)

The wind noise filter is an accessory designed to minimize audible wind noise in the HMT-1 and HMT-1Z1. The filters are designed to reduce low frequency 'bass', often described as rumble. The accessory is an excellent accessory that helps to improve the clarity of the recording, accuracy of the voice recognition system in windy environments, thereby extending the functionality of the HMT-1 or HMT-1Z1 into even more environments.

SKU: 171058

PRIVACY & SECURITY ACCESSORIES

Camera Lens Cover - 3D Printable Reference Designs (free download)

For HMT-1 and HMT-1Z1. Inherently safe (IS approved) for use with the HMT-1Z1 in hazardous locations.

The Camera Lens Cover is designed to cover the HMT-1 or HMT-1Z1 camera lens where cameras are prohibited. The cover fits over the camera securely and does not require any adhesive to be attached. ***Final color varies on your 3D printer configuration. HMT pictured is not included.**

Camera Privacy Stickers (6-Pack)

For HMT-1 and HMT-1Z1.

Cameras are not authorized for use in certain environments. This new solution is a great alternative solution to our camera cover 3D reference design download.

The purpose-built HMT Privacy Camera Stickers are a reflective vinyl sticker to fully cover the HMT-1 or HMT-1Z1 camera lens as required for privacy compliance. The privacy camera sticker adheres securely onto the camera lens while allowing use of the HMT's built in flashlight.*

SKU(s): 171009

*Sold by the sheet containing 6 stickers. HMT-1 in photo sold separately.

CONNECTIVITY

Mounted LTE Modem for HMT-1*

SKU(s): 173004

The LTE Modem is an accessory for the HMT-1 that creates a 4G cellular link. The Modem attaches securely to the HMT battery-side and connects via micro-USB. With a Micro-SIM card (not included), the customer can access multiple regional cellular networks.

(NOT COMPATIBLE WITH HMT-1Z1)

Features and Benefits:

- 4G connection to information, enabling off-network productivity and collaboration.
- Front cover slides off to reveal Micro-SIM card slot.
- Global frequency band covers more than 100 countries and regions.
- Indicator light shows network connection status.
- Plastic Side Mount connects modem to HMT via micro-USB cable.

Technical Specs:

- Modem does NOT work on all carriers. Check your local network. Some Verizon, Sprint, Net10, or any CDMA Carriers are not compatible.
- Supported Bands LTE-FDD B1/2/3/4/5/7/8/12&B17/20, UMTS B1/2/4/5/8, GSM 850/900/1800/1900.
- Qualcomm MDM9X07 chipset, 1.2 GHz. 3FF SIM, 3V SIM card and 1.8V SIM card. Memory (SDRAM/NAND): 128MBytes/256Mbytes. Micro SDHC, 2G~32GByte Capacity, SD 2.0 Class 6.
- RF chipset WTR2955, 4G LTE Download Speed to 150Mbps and upload speed to 50Mbps (Category 4), Internal antenna.
- Support win10, Win7, Win8, Windows XP, SP3, Vista, Mac OS, Linux, Android. GPRS class B. Modem uses Micro-SIM Card.
- ZTE MF833V 4G LTE Mobile USB Modem Dongle.

Product Contents:

- ZTE 4G Modem
- HMT side mount
- USB to micro-USB cable
- Note: Micro-SIM not included.

*Sold as a kit made of multiple components

MicroSD Card (SanDisk Extreme®)

 realwear HMT-1
 realwear HMT-1Z1

The MicroSD Card expands the HMT-1's internal storage for additional photos, videos, and applications. 64GB capacity provides an extra 8+ hours of video recording at 1080 full HD, 128GB provides an extra 16+ hours, and 256GB provides an extra 32+ hours.

The card meets UHS Speed Class 3 (U3) and Video Speed Class 30 (V30) for fast capture and transfer speeds (30MB/s minimum sustained write speed and 90MB/s max read speed), and has a microSDXC form factor.

Includes:

- SanDisk Extreme® microSD™ Card
- SanDisk microSD to SD memory card adapter

SKU	Type
171043	MicroSD Card (64GB SanDisk Extreme®) - <i>both HMT-1 & HMT-1Z1</i>
171044	MicroSD Card (128GB SanDisk Extreme®) - <i>for HMT-1 only</i>

MicroSD Card Slot Door Screwdriver

 realwear HMT-1
 realwear HMT-1Z1

MicroSD Card Slot Door Screwdriver

For use with HMT-1 or HMT-1Z1.

This #00 Phillips screwdriver is required to access your MicroSD card slot to expand the memory of your device.

It features a special grooved grip for your thumb and forefinger for the easy task of accessing the memory slot of the device. This screwdriver is extremely lightweight and small so you can carry it with you anywhere your HMT goes. If you don't already carry this screwdriver with you for your regular job, we recommend adding this to your purchase for the convenience of having it with your HMT specifically.

MISCELLANEOUS

Folding Bluetooth Keyboard & Touchpad

 realwear HMT-1
 realwear HMT-1Z1

SKU(s): 171037

Wireless Folding Bluetooth Keyboard & Trackpad

For use with HMT-1 or HMT-1Z1.

This handy folding wireless keyboard and trackpad has been tested by RealWear for the HMT-1. The wireless keyboard and trackpad helps eliminate the need for bringing along your tablet or clipboard into the field to enter a larger amount of text or data.

After the initial pairing process is complete, simply unfold the keyboard and it will pair automatically. Also, a mouse cursor appears like it would with a handheld Android tablet. A carrying bag and USB charging cable is included.

The Folding Bluetooth Keyboard & Trackpad is recommended for:

- Field Operators and Field Engineers required to input or log lengthy field notes or conversations
- Where select and drag mouse/cursor functionality is needed
- Sensitive environments where speaking out loud would be inappropriate

Technical Features:

- Durable aluminum body
- Portable form factor, keys are only 90% of any standard keys
- Pocket Size, similar size to the iPhone X Plus
- Lightweight, only 7 ounces
- 60 hours working time and 90 days standby time
- Connects up to 3 devices
